Description

A committed, motivated and organised individual who is not afraid of any task ahead. With experience throughout many different fields of design from videography to Service design, I believe that I am equipped with the right tools to succeed and learn from the tasks ahead.

Relevant Experience

UI/UX Designer - PayBuddy (Remote, Australia) **2023 - Present**

- Currently developing user research and user testing.
- Creating user journeys, app architecture and wireframes to support the app design.
- Creating and researching visual designs for the UI/UX of the app.

Videographer - Devil Riot (Melbourne, Australia) **2023**

- Creating and producing a music video for a heavy metal artist.
- Videography, Creative Direction, Post production, Sound, Lighting.

Videographer - Rubix Warehouse (Melbourne, Australia) **2022**

- Videography and post production for a techno club.

UI/UX designer - Airsticks (Melbourne, Australia) **2022**

- Researching and developing a software's UI/UX for an innovative MIDI device.
- Conducting user research to better understand the product.

Service designer - Modual (Remote) **2020**

- Working in a co-design team to create a speculative scenario and exhibit it as an immersive experience, in order to change the public's attitude towards global warming.

Service Designer -Co-design your p(a)lace (World) **2019-2020**

- Working in co-design teams and utilising user research and service design to create services to be implemented in specific areas in London, Poland and Denmark throughout 6 weeks over a period of a year, to sustainably regenerate developing areas.

Freelance Illustrator - Franco Manca (London, UK) **2019-2020**

- Creating 5 illustration posters for a newly opened Franco Manca pizza chain restaurant as decoration and tribute to the recently deceased original visual designer of Franco Manca.

Internship - Alsayegh Media (Dubai, UAE) **2019**

- Illustrating as a form of advertising for Dubai Digital Design Week. Working to produce digital and print-ready large-scaled work.

Internship - MSM Studio (Gdansk, Poland) **2019**

- Animating educational videos about learning English using Adobe After Effects.
- Testing and documenting prototype sites for learning English in regards to UI, English grammar and site errors.
